

# Garage Door Industrial Sectional Door

Advanced sectional doors designed for the next generation

### **Next-Generation** Variable-Speed **Sectional Door** Operator

### 0.4kW/0.75kW/1.0kW

Operator

· Control unit

· Cables

· Expansion board (optional)

· Main switch (optional)

· CEE plag (optional)

German engineering, built to last

#### Automatic calibration

Quick, hassle-free setup, allowing you to complete the setup within one minute

#### Maximum door area up to 60m2

This door boasts the capability to open up to 60 square meters, offering significant advantages in terms of accommodating large spaces.

#### LCD plain-text display

With 4-line LCD plain-text display, you could program easily and receive diagnostics when something is wrong.

#### Smooth and precise speed control

Enhance your system with precise speed control for smooth, reliable, and efficient movement

#### Soft start, Soft stop

Smooth start/stop offers maximum material protection and long product life cycle.

#### Accurate limit setting

Ensures the precise determination of operating endpoints, enhancing system performance and safety.

## Over-torque protection

Advanced torque monitoring system could measure the actual force and stop the door's movement when the door is caught in something or the spring breaks.

### Multiple safety inputs/outputs

You could connect several devices like safety edges, light curtains, photocells, radars, loop detectors and traffic lights etc.

#### Protection class IP54 (IP65 available)

IP54 as standard, IP65 optional

#### Gear heating system optional

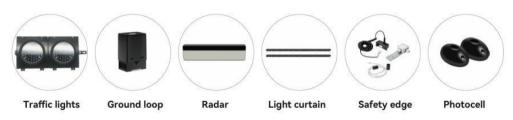

It can be used in cold and harsh environment, down to-40°c

### Technical data

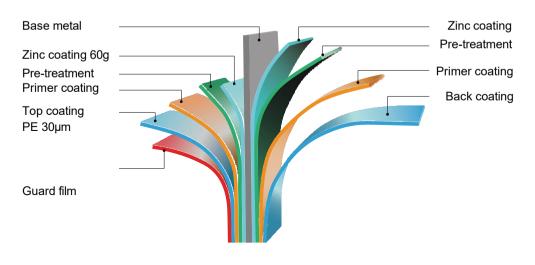

Model	ENSV80 ISD	ENSV120 ISD	ENSV140 ISD
Voltage	1N~110-120VAC / 1N ~ 220-240VAC 50/60HZ		
Motor Power (kW)	04	0.75	1.0
Rated output torque (Nm)	60	100	120
Max.output torque (Nm)	80	120	140
Speed in RPM		5-50	
Diameter hollow shaft (mm)		25.44 / 31.75	
Endurance (c/h)		60	
Waterproof and Dustproof Rating		IP54 (IP65 optional)	
Limit setting of door travel		Absolute encoder	
Emergency release		Chain hoist	
Max.door area (m2)	25	49	60
